OUR INTEREST doesn't cease when the goods leave our store. As we see it, there isn't a particle of difference between a good bargain for you and a good sale for us. They mean exactly the same thing. If the implement you buy gives you full satisfaction, you have made a good sale. We de business over and over with the same peo-ple. We know that we can't make future pales by selling unreliable goods. To carry out this policy we handle only high-grade implements and machinery that have a repu-

tation for satisfactory service.

Our interest follows these machines into the field, and if for any resson they fail to work properly we take steps to find and remedy the trouble. Our business is founded on confidence and service.

Seeing is believing. Come and see. MARSH-ALLEN CO.
